Awards Nominations

The Forest Landowners Association's (FLA) Awards Program aims to recognize outstanding landowners and forestry professionals contributing to the advancement of the private forest landowner community. Now, FLA is counting on you to nominate outstanding landowners for our three highest honors. Think of private forest landowners who set an example in the landowner community and nominate your peers for the recognition they deserve. This is your opportunity to help us give the highest praise and recognition to the people you admire and count on!

- ☛ The **Forest Landowner of the Year Award** honors an individual landowner and FLA member who possesses forestry expertise, a deep commitment to land ownership and/or forestry, and who is involved in advocacy for forest landowner concerns as well as promotion of land ownership.
- ☛ The **Extension Forester of the Year Award** recognizes a forester who has been in practice at least five years and is dedicated to the advancement of forest landowner education and outreach, focusing on private landowners.
- ☛ The **Young Forest Landowner of the Year Award** honors a landowner and FLA member under the age of 50 who is actively involved in the management of forestland and in his/her local forestry community.
